# Why the Catholic Parish Summit?

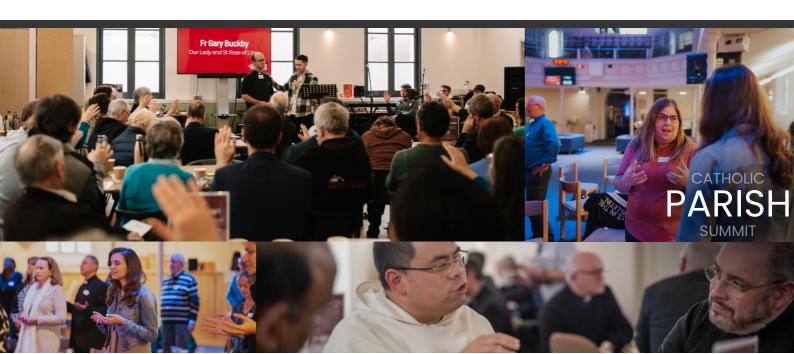

The Catholic Church in the UK is experiencing worrying decline as the pandemic ravaged Sunday Mass attendance, speeding up parish amalgamations. Priests and leaders are overburdened and burnt out from the effects of the pandemic, increased workload and in some cases, isolation.

Economic and cultural decline are leaving hundreds of thousands across our nations lost, disillusioned and in darkness. Catholic parishes are present in every local neighbourhood, including the dark places. Yet many have forgotten their identity, God's expectation of fruitfulness, and the power parishes have in the Holy Spirit to rescue the lost by bringing them into relationship with Jesus

Sociological predictions for Catholic parishes are understandably dire. However, we do not believe sociologists have the last word — the Holy Spirit does!

We are deeply moved by the significance of 2033, marking the 2000th anniversary of Jesus' death and resurrection: the centre of history. United with other movements across the world, we believe the next decade is one of extraordinary grace for transformation of our nations.

We recognise that launching the transformation of our nations will not happen through the institutional church alone: the Holy Spirit has given extraordinary charisms and graces through lay and religious-led movements, ministries, apostolates, communities, and initiatives.

# Catholic Parish Summit will...

**Send disciples -** those the Holy Spirit is commissioning to reach the lost.

**Equip leaders -** those already spreading the Gospel message through many mission-focussed movements, ministries, apostolates, communities, and initiatives. It will offer a space for connection, learning, collaboration, and cross-pollination.

**Launch the transformation of our nations -** as the Holy Spirit revives and regenerates the Church across nations represented by delegates from across the UK and beyond.

# Join Us

Hundreds of parishes are already on this journey of reaching the lost, and seeing fruit and we believe that hundreds more parishes rediscovering their identity to draw people to Jesus has potential to transform our nations. But we need your help, your heart, your charisms and your tools to do the work Jesus has commissioned us to do!
