Sending disciples. Equipping leaders. Launching *transformation*.

Launching a decade of transformation

In 2033, the Church celebrates the 2,000th anniversary of the Great Commission. This is a moment for us to come together as a Church and step into **a decade of missionary renewal unlike anything we've seen before.**

Be a part of the Catholic Parish Summit.

We're gathering 1,000 Catholics who will share the vision of a Church that is **missional and apostolic at its very core**, and equip them to lead their parish so that **more people will come to know Jesus.**
